First Tee - West Michigan is one of 150 First Tee chapters worldwide. First Tee was created in 1997 by the World Golf Foundation to use golf and character education to provide kids and teens of all backgrounds an opportunity to develop life-enhancing values like honesty, integrity and sportsmanship. By engaging in a combination of life skills, leadership and golf activities, First Tee's programs will help kids and teens become valuable assets in their community and eventually, high-character, high-integrity men and women.
